The span of Enoch's life on earth, 365 years, was prophetic. Before the flood, the length of the year was 360 days. After the flood, earth's orbit changed and the length of a year became 365 days.

22 And Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters: 23 And all the days of Enoch were three hundred sixty and five years: 24 And Enoch walked with God: and he was not; for God took him. (Gen. 5:21-24).
