Terah born

KJV Genesis 11:24 And Nahor lived nine and twenty years, and begat Terah: 25 And Nahor lived after he begat Terah an hundred and nineteen years, and begat sons and daughters.

The Noah-Shem case shows us that this formula lists the sons in order of importance, and not in order of birth. Additional data is provided in the Scripture to determine which son was born when Terah was 70.

KJV Genesis 11:26 And Terah lived seventy years, and begat Abram, Nahor, and Haran. 27 Now these are the generations of Terah: Terah begat Abram, Nahor, and Haran; and Haran begat Lot. 28 And Haran died before his father Terah in the land of his nativity, in Ur of the Chaldees.
