The Sojourn

This was 430 years (Exodus 12:40-41), and dates Abraham's leaving from Ur. See note box at the end of this era.

It appears that God spoke to Abraham in a Sabbatic year.

KJV Genesis 12:4 So Abram departed, as Yahweh had spoken unto him; and Lot went with him: and Abram was seventy and five years old when he departed out of Haran.

NRS Acts 7:4 Then he left the country of the Chaldeans and settled in Haran. After his father died, God had him move from there to this country in which you are now living.

Ishmael

NRS Genesis 16:16 Abram was eighty-six years old when Hagar bore him Ishmael.

KJV Genesis 11:20 And Reu lived two and thirty years, and begat Serug: 21 And Reu lived after he begat Serug two hundred and seven years, and begat sons and daughters.

KJV Genesis 11:22 And Serug lived thirty years, and begat Nahor: 23 And Serug lived after he begat Nahor two hundred years, and begat sons and daughters.

Hammurabi (2066-2023 B.C.)

One of the kings whom Abraham defeated in Gen. 14, who later overthrew Elam and became the famous Babylonian King. His dates are known from the Venus Tablets of Ammisaduqa using solution 1920 B.C.

The principles of the Babylonian codes are very much in evidence in the book of Genesis in this period.

KJV Genesis 11:32 And the days of Terah were two hundred and five years; and Terah died in Haran.

Spartoli Tablets

These Tablets list 3 kings in the Gen. 14 conflict in the same order.

KJV Genesis 16:3 And Sarai Abram's wife took Hagar her maid the Egyptian, after Abram had dwelt ten years in the land of Canaan, and gave her to her husband Abram to be his wife.

KJV Genesis 11:13 And Arphaxad lived after he begat Salah four hundred and three years, and begat sons and daughters.
