KJV 2 Kings 14:23 In the **fifteenth year** of Amaziah the son of Joash king of Judah Jeroboam the son of Joash king of Israel began to reign in Samaria, and reigned **forty and one years**.

Jeroboam II

Jonah preaches about this time. The people of Ninevah, the Assyrian capital, repent.

KJV 2 Kings 14:17 And Amaziah the son of Joash king of Judah lived after the death of Jehoash son of Jehoahaz king of Israel **fifteen years**.

It is evident that 51 years are missing from the Assyrian records, corresponding to the time that Ninevah repented after the prophecy of Jonah. Shalmaneser II is anchored by the battle of Qarqar, and Asshur Dan III by the eclipse of 763 B.C. The gap must lie between these two kings. It is not unlikely that Assyria sought to purge its records of the events in the book of Jonah.

Either Amaziah's other sons were slain in the conspiracy also, or they were part of the conspiracy. This may explain why Uzziah was born so late in the king's reign that the people had to wait 11 years before he could rule.

KJV 2 Kings 15:1 In the **twenty and seventh year** of Jeroboam king of Israel began Azariah son of Amaziah king of Judah to reign. 2 **Sixteen years old** was he when he began to reign, and **he reigned two and fifty years** in Jerusalem.

KJV 2 Chronicles 26:15 And he made in Jerusalem engines, invented by cunning men, to be on the towers and upon the bulwarks, to shoot arrows and great stones withal. And his name spread far abroad; for he was marvellously helped, till he was strong.

A period like this is not unusual in nations. For example, Oliver Cromwell took over the government of England 1653-58, but did not make himself king.

E	Jubilee Year	J	Jehoash		

Factors that would encourage a majority in Israel to repent at this time, 1. The repentance of Assyria under Jonah, 2. The death of Jeroboam II. 3. Fear of the prophecy of the 4th generation, so they made no new king, 4. The powerful kingdom of Judah under Uzziah, 5. Since Jehu's reform, wickedness held only a slight advantage. The Assyrian reformation peters with a new Assyrian king after a generation, and the majority in Israel swings back to rebellion.

51 Year Gap in Assyrian Records

Shalmaneser III (IV)
