The development and failures of tomb construction from Mastaba to the Great Pyramid speak of rapid evolution of technology and a short timespan. A few years was the frenzied period of building for the gods of death. What a waste of abundant resources.

Bronze appears in Egypt in quantity during the 4th Dynasty.

Medium Pyramid 638,733 cu meters (sudden collapse)

Bent Pyramid 1,237,040 cu meters Dahshur

Red Pyramid 1,694,000 cu meters Dahshur

The what remains of ancient Egypt is mostly the artifacts of the death cult of their elites.

On the other hand, the Akkadians and Assyrians were a war cult.
