

# Fall of Jerusalem

**-Jer. 52:12, 10 Av**

On Av 7, Nebuzaradan was dispatched from Riblah, some 200 miles from Jerusalem. On the 10th day he burned the Temple

**Eze 26:1 ?**  
**Ezekiel 33:21**

After using Zedekiah dates, Ezekiel now specifies the era of the exile again after the fall of Jerusalem. Year 12 of the exile; 10th month; 5th day.

**Ezekiel 32:1**

This prophecy against Egypt is not explicitly dated to the era of the exile, but we have to conclude Ezekiel thought specifying it was not necessary since Zedekiah is no longer king. Year 12; month 12, first day.
