End 70 year Indignation

Zech. 7:1-5; 70 Years Fasting, 4 Kislev, 9th month, 4th Darius - 4 Kislev, THU  
 This 70 years dates back to 587 BC. cf. 473 BC, non-intersecting year, local Judean dating, Nov 7, 518.

The supposed 586 BC date of Jerusalem's destruction would imply that the 70th year of fasting fell into the 5th year of Darius. Since it fell into the 4th year of Darius, the city was destroyed in 587 BC.

Ezra 6:15; Temple Completed, Adar 3, 6 Darius, 2/10/515, THU  
 cf. 473 BC, non-intersecting year, local Judean dating, Nov 7, 518.

Ezra 6:19: Passover kept:  
 cf. 473 BC, intersecting year, local Judean dating, 14 Aviv
