Antiochus II Theos
Seleucus II Callinicus
Seleucus III Ceraunus
Antiochus III the Great

Ptolemy III Euergetes
Ptolemy IV Philopator

Demetrius II Aetolicus
Antigonus III Doson
Philip V of Macedon

It is during the reign of Ptolemy Philadelphus in Egypt that the *Letter of Aristeas* claims the Septuagint (LXX) or Greek translation of the Torah was made. The letter has been since proved by modern scholars, both Christian and Jewish, before the age of biblical skepticism, to be a fabricated narrative, that sort of pernicious lie that mixes history and falsehood to promote a false conclusion.

24 Oct 247 = Thoth 1

18 Oct 222 = Thoth 1
